NOTES:

1. Bearing system for this survey is based on the State Plane Coordinate System, North American Datum of 1983 (2011), Texas North Central Zone 4202. Distances reported have been scaled by applying the (TXDOT) surface adjustment factor of 1.000136500.
2. Subject property is shown on the National Flood Insurance Program Flood Insurance Rate Map for Dallas County, Texas and Incorporated Areas, Map No. 48113C0445K, Community-Panel No. 485472 0445 K, Effective Date: July 7, 2014; and Tarrant County, Texas and Incorporated Areas, Map No. 48439C0370K, Community-Panel No. 485472 0370 K, Effective Date: September 25, 2009. All of the subject property is shown to be located in Zone "X" on said map. The location of said floodzone is based on said map, is approximate and is not located on the ground. Relevant zones are defined on said map as follows:

   Zone "X" – Other Areas: Areas determined to be outside 500-year floodplain.
3. This survey does not provide a determination or opinion concerning the location or existence of wetlands, facilities, tanks or hazardous waste areas, subsidence, subsurface and environmental conditions or geological issues. No statement is made concerning the suitability of the subject tract for any intended use, purpose or development.
4. Square footage totals shown hereon or referenced hereto are based on mathematical closures and do not necessarily represent the positional accuracy of the boundary monuments.
5. The word "certify" or "certificate" as shown and used hereon means an expression of professional opinion regarding the facts of the survey and does not constitute a warranty or guarantee, expressed or implied.
6. Except as specifically stated or shown on this plat, this survey does not purport to reflect any of the following which may be applicable to the subject tract: easements; building setback lines; restrictive covenants; subdivision restrictions; zoning or other land-use regulations; Agreements; Lease Agreements and ownership title evidence.
7. The survey abstract lines shown hereon are approximate and are not located on the ground.
8. Zoning classifications indicated on this plat reflect the zoning in place at the time this plat was approved and does not represent a vested right to the zoning indicated.
9. Existing or future minimum set-backs established by City Ordinance shall take precedence over building lines indicated on this plat.
10. The purpose of this final plat is to create one (1) lot for non-residential development.
