..Analysis

Guard rails are designed and installed to protect errant vehicles from leaving the roadway and striking a fixed object, steep slope or body of water. Many of the guard rails within the City are in need of maintenance due to either natural deterioration or by vehicular accidents.

..Financial Consideration

Funds are available in the FY 2017/2018 in the Street Capital Projects Fund (400192), WO# 01809003 (FY18 Guard Rails) and will be charged accordingly on orders through the end of the current fiscal year. Funding for future fiscal years will be paid from that year's approved budgets.
