Mrs. Brennan:

We have reviewed the bid proposals on the above-referenced project, which were publicly opened, as duly advertised, on Tuesday, January 13, 2015, at 2:00 p.m. at the Office of the City Purchasing Division, Fiscal Administration Building. A total of four (4) bids were received on this project. As shown on the attached bid tabulation sheets, the low total bid for the project, in the amount of \$396,516.67, was submitted by Aerofirma Corporation.

From a review of the bid proposals submitted, the information submitted with the bid proposal, and after speaking with references provided by Aerofirma, the low bidder appears to be qualified to perform the work required.

Please let me know if you have any questions or if I can be of any further assistance.

Respectfully,

**KSA Engineers, Inc.**
