To whom it may concern:

Inglewood Baptist Church agrees to allow **Elia Arreola, Pastor Gomez, and Saul Ruiz (business owners at 521 W. Marshall)** to use our dumpster. The parties mentioned above are granted use of the dumpster located on the parking lot at Inglewood Baptist Church.

In the event the current dumpster is too small to satisfy the needs of both Inglewood Baptist and the business operating at 521 W. Marshall, an agreement for sharing the cost of a larger dumpster has been put in place.
