Subject: Street Name Change request

On behalf of the students (both current and alumni), faculty and staff of Grand Prairie High School, I formally request your consideration for a street name change from **High School Drive** to the new name **GOPHER Boulevard**. The spirit and pride of GOPHER's past and present is alive and well today and this name change will be an honor for all. Your consideration of this request is submitted with gratitude and respect.

Sincerely,

Terry Brooks
GPISD Board President
