Re: Special Use Permit Operational Plan - 3459 S. Hwy 360, Grand Prairie, TX 75050

Dear Mrs. Elliot,

Operations: MetroPCS Texas LLC is collocating cellular equipment on an existing monopole cell tower located at 3549 S. Hwy 360. The tower has 3 existing users on it currently and a 15' extension of the tower is required to allow MetroPCS's equipment to work properly. This extension will place MetroPCS's antennas at a height of 98' and will service its customers in the area by providing them needed wireless coverage.

Hours of Operation: There are no regular hours of operation at this site.

Number of Employees: There are no employees at this site. Maintenance will be performed at this site from time to time; there is no regular schedule for this maintenance.

If you have any other questions regarding the operations at this site, please contact me at (817) 233-4051.

Very truly yours,

Chris Mayo
