PROFESSIONAL SERVICES JUSTIFICATION

The Public Works Street Department would like to use the Professional Services of Cobb Fendley & Associates for the design of plans, specifications and estimates for the repair of the bridge at Mirabella Boulevard over Bowman Branch and the repair of the box culvert on South Carrier Parkway over Kirby Creek tributary.

Cobb Fendley & Associates have provided Professional Services for the City including bridge repairs on E. Jefferson Street (3 separate locations), Roy Orr Boulevard, and Duncan Perry Road, as well as 2 bridges located on South Great Southwest Parkway and South Robinson Road over Fish Creek.

This firm has been in business for 35 years and has a staff of qualified professionals who are familiar with City staff, standard practices and expectations.
