

Ms. Savannah Ware I am make this request to rename Jones Street in the Bear Creek Neighborhood to D.R.B.J. Horton street because The late D.R. Bobbie Horton was a great role model, founder of the Alpha And Omega Holiness Church and pasturing for 37 years in the community In 1980 D.R. Horton open a store called The Place she also was known as seamstress and beautician for the neighborhood.D.R. Horton provided a daycare for the neighborhood. Also doing the holiday provides cake and pies for the neighborhood and many other things to help her neighborhood.

Thanks
