Special knowledge, education, experience, interest or other information applicable to the board(s) for which you are applying:

I have been an active community member in GP for the past 20 years. Currently serving on the GPISD School Board. I have encouraged many schools and PTAs to take on the Adopt a Street program for their schools. During our last ice storm when people used cardboard to sled down the hill at McFalls park and they left a mess I took my children and gathered other young people to help clean it up. I have a vested interest in making sure GP is a great looking city to live, work and play in.
