To Whom It May Concern:

This letter is to convey our support for the new business Childcare Castle, to be located at 2410 Brady, here in Grand Prairie.

My staff and I met Tri and Jlicia earlier this year when they asked about signage for their building. They have always been friendly and professional.

Childcare is a necessary and integral part of the working world. I think they will bring their energetic expertise to it and be a good asset to the local business community. Providing new jobs is an added plus!

Please feel free to call me if you have any questions or suggestions.

Thank you, and Warm Regards,

Norman Glass

To the City of Grand Prairie:

This letter of submission is in support of the establishment of Child Care Castle Learning Center located at 2410 Brady Lane, Grand Prairie, TX 75052. I have lived in this neighborhood for over ten (10) years. My home is located directly beside the building in discussion.

As I sit in my backyard everyday to view this building that has been vacant for over four (4) years, it worries me. As a homeowner in this neighborhood, it worries me to not have this building occupied, because it lessens the value of my home. It also makes the neighborhood looks abandoned when you begin to enter.

If we were to have a daycare center in the neighborhood, it would raise the value of my home. Also, it would ensure that homeowners remain in the neighborhood and bring more families.

Sincerely,

Raul & Irma Alvarez

Hello Grand Prairie City Council,

I am writing this letter to support Child Care Castle. I own GP Corner Store and have been for over a year. I sell my product to the neighborhood and talk to them often. There is a lot of demand for child care, and this business will be important to have in the community.

Thank you,
