Re: Special Use Permit- Operational Plan

Lone Star Mobile Pet Vet, PLLC DBA Penny Paws Animal Clinic was founded in 2010 by Drs. Jeff Windham and Rob Franklin. The company provides small animal veterinary services and currently operates clinics in Fort Worth and Richland Hills, Texas. The proposed new construction on Bardin Road will be home to our third veterinary clinic in the metroplex. The clinic will operate Monday through Saturday from 7 a.m. to 6 p.m. All pets will be housed inside the clinic. The clinic will contain standard veterinary equipment to provide patients with examinations, laboratory analysis, radiographical examination, surgery, pharmacy prescriptions, boarding and grooming. The clinic will employ one licensed veterinarian and eight support staff.

Please contact Dr. Rob Franklin, CEO for more information.
