March 11, 2016

American Landscape Systems, Inc. regrets to inform the City of Grand Prairie that we will not be renewing the current contract for RFB 15060: Central Park & Park and Ride for landscape maintenance services due to the increase in labor cost in the DFW market.

Please keep us on the bid list for the City of Grand Prairie; we appreciate the opportunity to continue to work with you.

Sincerely,
Barbra Hart
Property Manager
