Exhibit D

Revocation Response Letter 8-11-14

To whom it may concern,

Firstly, we want to thank the City of Grand Prairie for their time and effort with our situation. The City has been very helpful and understanding which we really appreciate.

We learned last week that the result of the 8/4/14 meeting was a recommendation for us to be forced out immediately.

Apparently our lack of attendance was a reason for this recommendation. We truly did not understand our attendance was required for this meeting. Our owner has been out of town but they would have attended if we knew it was required. We believed this was a meeting for the public and City officials.. After our meeting last week, we thought we just needed to send a letter with the options we would like for the City to consider and have further discussions with the City.

We want to resolve this matter, please let us know what we need to do in order to reach an agreement that is satisfactory to both sides as soon as possible.

Please see the below timeline for our moving out of Grand Prairie.

Present

- We have made an offer on a property in the City of Dallas and we have a contract (please find attached).
- We have met with the City of Dallas and discussed details of the Zoning/SUP requirements for our new site.
- Our attorney will apply for our Zoning/SUP.

September 2014

- We should have an initial recommendation from the City of Dallas for our new site.

September 2014-January 2015

- With positive initial recommendation, our attorney will work to complete the zoning change process.
- This will include meetings with City commissioners, public hearings, town hall meetings, public notices, etc.
