Stephanie W. Griffin, P.E., CFM  
Stormwater Utility Manager/Floodplain Administrator  
City of Grand Prairie  
206 W. Church St.  
Grand Prairie, TX 75050

Highway: IH-30  
CSJ: 1068-04-119 & 1068-04-149  
County: Dallas  
Limits: From SH 161 to Beltline Rd.

Dear Ms. Griffin,

The above referenced project is located within the Trinity River Regulatory Zone which requires the Texas Department of Transportation (TxDOT) to obtain a Corridor Development Certificate (CDC). The City of Grand Prairie recently provided assistance in developing the CDC application for a neighboring project on IH30. Given the limited timeframe and complexity of the CDC application process, TxDOT is requesting similar assistance from the City in developing the CDC application for this project. We also request this permit be obtained prior to April 2017 in order to avoid any delays to the letting date.

If you have questions or need additional information about this project, please contact Morgan Neill at 214-319-6430. As always, I appreciate your assistance in this matter.

Sincerely,

*MB:* Mohamed K. Bur, P.E.  
Director of Transportation Planning and Development  
Dallas District
