Brief Biography

Endorsed by the Texas Fire Chiefs Association (TFCA)

Assisting Communities with their ISO PPC

- **Performed ISO PPC (Public Protection Classification) exclusively for over 28 years as an ISO employee - surveyed over 2000 communities.**
- **Technical reviewer over the PPC program for 13 of the 28 years.**
- **Member of the ISO committee which wrote the Hauled Water method of crediting alternative water supplies.**
- **Member of the ISO committee which developed the technical notes from which the ISO Field Procedure Reference Guides were written from 1980 through 2002.**
- **As a consultant over the past 13 years I have assisted over 400 communities improve their ISO PPC. Each community I assisted has improved or sustained their ISO PPC; with over 90% improving 2 classifications. Several communities have improved up to 5 classifications.**
- **Principal member of the NFPA 1901 Committee (standards committee for fire apparatus) for over 20 years. I currently still sit on this committee.**
- **Bachelor's Degree in Civil Engineering from SMU.**
- **Master's Degree in Civil Engineering from SMU.**
- **Candidate for Doctorate in Civil Engineering from SMU.**
- **Member of the Chi Epsilon (Honorary National Civil Engineering Fraternity).**

- **Registered Professional Civil Engineer (P.E.) in the State of Texas.**
- **Texas Fire Chiefs Association (TFCA) Associate Member.**
- **Texas Municipal League (TML) Associate Member.**
- **Member of Texas Society of Professional Engineers (TSPE)**
