

**Best Value - Standard Criteria**

	Criteria	Methodology	Allocation
1	the purchase price	The bidder with the lowest price receives the maximum score. The bidders with the next lowest price receives points based on dividing its price into the lowest price and multiplying that percentage by the available points.	50.00
2	the reputation of the bidder	The score given for reputation is based on the cumulative score from the vendor reference check score sheet. The form is completed by the references provided by the vendor and the City if there has been a prior relationship.	10.00
3	the extent to which the goods or services meet the municipality's needs	Meeting the cities needs score will be granted as follows: Score will be based on two parts; 10 point maximum score for a bid that provides quotes for all requested services or commodities and 5 point maximum score based on panel evaluation of additional bid information provided about the service or commodity. Bids that do not provide a quote for all requested items will receive a score based on dividing item bid count by total items available and multiplying that percentage by the available points.	10-15
4	Past experience with the City of Grand Prairie or another municipality	Past experience score will be granted as follows: ten (10) points for experience working for the City of Grand Prairie, two (2) points for experience per other municipalities up to the maximum allowed score for this criteria.	10.00
5	Grand Prairie vendor	Grand Prairie vendor score will be granted as follows: 5 points for the vendor being located within the City of Grand Prairie.	5.00
6	Qualifications	Qualifications score will be granted as follows: 10-20 points based on the evaluation of the Qualifications form and any additional information provided by the vendor.	10-20
