TRANSPORT SOLUTIONS
515 E. ROCK ISLAND RD
GRAND PRAIRIE, TX 75050
Operational Plan (Zoning Change)
15 MAY 2018

TRANSPORT SOLUTIONS, is a brokered transportation company. This business will retain two (2) employees and will operate from 8:00AM to 6:00PM, Monday through Saturday.

TRANSPORT SOLUTIONS currently owns seven (7) tractor/trailer rigs. We anticipate future expansion and will own a maximum of 10 tractor trailer rigs. All parking, and trailer pickups will be performed inside the lot. There will be no freight unloading or loading at this site.

The requested zoning change is for the provision of parking for our vehicles only. There will be no leased parking at this site.

We are using an existing, 39,378 square feet vacant lot. The lot is hard paved, with twenty percent concrete and the balance of packed gravel and aggregate. This site has remained vacant for approximately one year.

TRANSPORT SOLUTIONS is not planning to perform any construction at this site.

It is our desire to grow in viability and profit at this location. We will become a meaningful part of the Grand Prairie economic engine.
